

Environmental Health Sciences M4II Fall Seminar Schedule

seminars are at Thursdays at noon in 23-105A CHS unless otherwise indicated

- September 27, 2007** Introduction to M4II (registered students only)
- October 4, 2007** Jenny Jay (Civil and Environmental Engineering, UCLA)
Title: "Mercury, arsenic, and pathogens: three pollutants affecting large populations in developing and developed countries"
host: Hilary Godwin (hgodwin@ucla.edu; 4-9112)
please join us for a new student lunch reception and lunch with the speaker following the seminar (location TBA)
- October 11, 2007** Ben Gilbert (Lawrence Berkeley National Laboratory, Earth Science Division)
Title: "Nanoparticle Stability and Toxicity from a Geochemistry Perspective"
host: Andre Nel (ANel@mednet.ucla.edu; 5-6620)
joint seminar with the Nanotoxicology Training Program
- October 16, 2007** Tord Kjellstrom
Title: "Estimating The Total Public Health Impact Of Road Transport In Sweden"
host: Hilary Godwin (hgodwin@ucla.edu; 4-9112)
(time & location TBA)
note seminar is on a Tuesday this week; there is no Thursday seminar
- October 17, 2007** Summit on the Public Health Effects of Climate Change
Register for free at www.ph.ucla.edu/climatechange
CNSI Auditorium, 1:30-5:00 pm
note that the summit is on a Wednesday
- October 25, 2007** Alex Hall (Dept. of Atmospheric and Oceanic Sciences, UCLA)
Title: TBA
host: Hilary Godwin (hgodwin@ucla.edu; 4-9112)
- November 1, 2007** Cristina Torado (Environmental Health Consultant)
Title: TBA
host: Hilary Godwin (hgodwin@ucla.edu; 4-9112)

Environmental Health Sciences M4II Fall Seminar Schedule, *cont.*

seminars are at Thursdays at noon in 23-105A CHS unless otherwise indicated

- November 8, 2007** Marcelo Vasquez (Brookhaven National Laboratory)
Title: TBA
host: Oliver Hankinson (OHank@mednet.ucla.edu; 5-2936)
joint seminar with the Molecular Toxicology Training Program
- November 15, 2007** David Murray
Title: TBA
host: Oliver Hankinson (OHank@mednet.ucla.edu; 5-2936)
joint seminar with the Molecular Toxicology Training Program
- November 29, 2007** Galen Stucky (Department of Chemistry and Biochemistry, UCSB)
Title: TBA
host: Andre Nel (ANel@mednet.ucla.edu; 5-6620)
joint seminar with the Nanotoxicology Training Program
- December 6, 2007** Xinxin Ding (Brookhaven National Laboratory)
Title: "Xenobiotic metabolism and toxicity in conditional P450-reductase knockout mouse models"
host: Oliver Hankinson (OHank@mednet.ucla.edu; 5-2936)
joint seminar with the Molecular Toxicology Training Program
